

51089 – Affordable 900 sqm Freehold Land in Benoa – Pink Zone

Description

This freehold land is located in Benoa, Bali, one of Bali's most established and prestigious areas, well known for luxury resorts, gated communities, and long-term investment value. With a wide 35-meter frontage, this land offers excellent flexibility for development—ideal for private villas, boutique residences, or commercial projects permitted under Pink Zone zoning. The generous frontage also enhances design options, access, and overall property appeal. The total land size is 9 are, and the owner is open to selling 5 or 6 are, making it suitable for buyers seeking a more manageable plot while still benefiting from a premium location. Priced at only IDR 500 million per are, this is considered very competitive for the Nusa Dua area.
