

51125 – 6,192 sqm Scenic Rice Field Land for Sale in Tampaksiring, Gianyar – Peaceful Tropical Surroundings

Description

Experience the authentic beauty of Bali with this spacious land opportunity in Tampaksiring, Gianyar, surrounded by lush rice fields, coconut trees, and serene tropical landscapes. Offering a peaceful atmosphere and natural scenery, this property is ideal for those seeking a private retreat or long-term investment in Bali's growing nature-focused destination. The land consists of 6,192 m² across 2 freehold certificates (SHM), featuring a combination of flat and gently sloping contours, providing flexibility for villa development, eco-retreat concepts, or boutique hospitality projects. Located in a quiet and green environment with approximately 3-meter road access, the property offers a perfect balance between privacy and accessibility.
