

51475 – Modern 2-Bedroom Villa for Rent in Strategic Near Canggu Area | Private Pool & Rooftop

Description

Located in one of Canggu's most strategic and peaceful neighborhoods, this modern private residence offers comfortable tropical living with no nearby construction, making it ideal for long-term stays. The villa combines privacy, functionality, and easy access to key lifestyle destinations in Canggu. Designed with a closed living concept, the property provides a cool and quiet indoor atmosphere, complemented by a private swimming pool and a rooftop area perfect for enjoying sunset views or relaxing after a long day. Regular cleaning and pool maintenance are included, allowing tenants to enjoy a truly hassle-free living experience. The location is exceptionally convenient—just minutes from hospitals, supermarkets, cafés, and international schools—making this home suitable for families, professionals, or remote workers seeking both comfort and accessibility.
