

18588 – 5350 sqm residential land with 5 minutes to Uluwatu temple

Description

A huge plot of land for quick sale.

Location: Jl Gunung Bayur Pecatu, South Kuta, Badung – Bali.

Strategically only about 200 meters to get in from the the main road and very close to the famous Uluwatu Temple within only 5 minutes drive away and only 10 minutes to Padang-Padang Beach.

This land is suitable to build luxury villa, guest house, hotel, etc. It will be a very attractive tourist accommodation destination as its location is very sanctioned, near many popular tourist attractions in South Kuta. As known that "Pecatu" is a region in the west of the Bukit Peninsula of Bali. This area is the home to the famous Uluwatu Temple, a Hindu Temple perched on the edge of a cliff overlooking the Ocean. It has a hilly landscape with many spectacular beaches with great waves that is attracts surfers such as Dreamland Beach and Padang-Padang Beach, etc. Even though it is smaller than the beaches at Nusa Dua but it is more relaxing with the blue clear water which attracts the visitors to swim and it is also surrounded by stunning coral reefs creates the ambiance feels more spectacular.

A perfect place to spend time the whole day and get relax afterward.

This could be a very good business purposes by build up a luxury tourist accommodation or just developing investment with high returns indeed as it will more valueable every year as this location is very demanding by investors and tourists nowadays.
