

18236 – 6000 sqm strategic land for sale in the lower area of Jimbaran, Bali

Description

A vacant land with strategic location for sale in Uluwatu II, the lower area of Jimbaran, Badung – Bali. This land has 6 meters access road in residential environment which is easy access to get there. The total size of the land is 6000m² or 60are, however only 20 are or 2000m² is open for sale.

This land suitable to build a private villa that could be a very nice tranquil villa as this location is still away from crowds but nearby many popular tourist attractions.

Perfect for private use as second home in Bali or commercial business purposes or perhaps just for investment with high returns indeed. As known that Jimbaran is a fishing village and coastal resort of South Kuta – Bali. It's famous for its magnificent white beaches and seafood grills. Its laid-back vibe and calm water are ideal for a family vacation. It's also a popular choice for honeymooners who stay at some of the island's most exclusive hotels overlooking Jimbaran Bay. However on the southwest of the bay there are many spectacular beaches with great waves and stunning sunsets most favored by surfers such as Dreamland beach, Balangan beach, Padang-Padang beach, etc.
