

30374 – 700 sqm prime plot with breathtaking views of sunset and rice fields nearby Tanah Lot Temple, Tabanan, Bali

Description

Fantastic plot is situated in a prime location within only 8 minutes drive away from Bali's majestic and most iconic sea temple, Tanah Lot. The site provides one of the most breathtaking views, where you will be able to discover a mix of history, natural panoramas, and sites of Balinese cultural significance, particularly the namesake mysterious sea temple that is set on a rock in the middle of crashing waves of the Indian Ocean. The total size of the land is 700m² divided into two plots each of 350m². This land will be ideal to build a private luxury villa which perfect for own use for living or second home away from home in Bali or commercial business purposes will get very good profit indeed. Expanses of green terraced rice fields backed by silhouettes of Bali's mountain range and sunset backdrop are also included among the highlights here. Staying here also allows you to witness an untouched and more natural side of the island. Conveniently has flat contour, nestled in residential zoning which is safe and ready to build anytime. Such a great feature of property it is, do not miss it out.
