

20164 – 7700 sqm plantation land in Mambang, Selemadeg, Tabanan

Description

A beautiful plantation land is open for resale.

Location: Mambang Village, East Selemadeg, Tabanan-Bali.

DESCRIPTION

This land is a solid flat land with total size 7700m² or 77are. The frontage is wide that is 40 meters and the location is easy to access as the road has been asphalt hot-mix. This land is suitable to build a private luxury villa, perfect for private use as getaway second home in Bali or perhaps for commercial business purposes.

It would be a nice area to stay as the environment is perfectly tranquil, cool, away from the crowds of traffic or massive tourists like in Kuta's area. This area is in perfect for them who are looking peaceful, surrounded by beautiful nature of village life, while being able to learn and live together with the Balinese life style.

Selemadeg is a district of Tabanan Regency Bali which has an untouched feel by modernization, it still keep the original unique tradition of Balinese life, However it is now embark developing in tourism aspects as many investors has found the great potential of this area. Because this area has beautiful surroundings of rice fields scenery, river and mountain views. A truly peaceful place to stay. This land also suitable for an investment for high returns purposes as the price offering right now is still far below price compare to other area in Bali. So do not hesitate to get this land, legal certificate is available. Make sure this beautiful land become yours!
