

19509 – 9700 sqm flat and terrace land with directly face to the river in Singakerta, Ubud

Description

Welcome to the tropical serenity and holistic charm of Ubud – the cultural heart of Bali and home to some heavenly resorts and villas of this paradise island.

This land blissfully nestled amidst verdant valleys and river. It is suitable to build a sumptuous and sedate five-star getaway accommodation with culturally inspiring by Bali's unique traditions to get the feel of authentic Bali itself.

Location: *Jl Katik Lantang, Singakerta Ubud, Gianyar-Bali.*

This land strategically located nearby the famous Blanco Museum of Ubud with details as below:

- The total size of this land is 9,700m² or 97are
- Ideally located on villas and restaurants surrounding
- It has 4 meters private access road
- The contour of the land is flat and terraces
- It has had legal document of 5 freehold certificates by 2 owners

It would be a very good location and chance for a commercial business and could become one of the best and most favored tourist accommodation destination in Bali especially Ubud areas. Well known that Singakerta is a village just south of Ubud famous for its talented wood carvers and also the tranquil surrounding area offer a magnificent feeling of natural beauty of jungle, valley, river and waterfalls. This would be a pledge investment somehow with high return indeed.
