

35329 – Amazing 6-BR villa with boutique resorts style for sale in Cepaka, Kediri, Tabanan, Bali

Description

A boutique style villa is located in the midst of verdant rice fields, blanketed with clear blue skies that could be your private oasis in Bali. Embrace serene luxury with this villa in the heart of Cepaka, a quaint village from the surfers' paradise of Pererenan Beach, where Balinese charm meets contemporary opulence. This resort-style haven, designed with traditional Balinese architecture featuring separate bungalows under Alang-alang roofs, epitomises elegance and tranquillity. Each of the six spacious bedrooms, adorned with semi-outdoor bathrooms, offers a private retreat into luxury with Escandi Design Spain furniture and Sonos electronics enhancing your experience. Discover the ultimate relaxation with not one but two pools, complemented by two kitchens and bars, nestled within lush gardens that promise serene rice field views. This property isn't just a home; it's a successful running business with stellar Airbnb and Google reviews, offering an enticing investment opportunity. Its architecture blends seamlessly into its surroundings, rich rice fields and the clear blue skies boast the serene ambience. Every square meter has meticulously been taken care of with a mix of Balinese building style combined with a hint of Scandinavian design in warm materials. It spans over 2,500m² of well maintained gardens, two large pool areas with every pool 10m x 4m and to every pool a large deck with beautiful custom made sunbeds. Every pool sits alongside a covered veranda for either dinner gatherings or a wonderful lounge area. All day long you can have cold drinks and light snacks while enjoying the Bali's sunshine and tropical breezes. This villa is one of a kind property that will enchant you from the moment you entered!
