

Brand new luxury designer villa for lease in Ubud

Description

These brand new luxury designer Villas are surrounded by incredible rice paddy views are now being sold off the plan with a 12 month turnaround from first payment. Fantastic layouts and incredible design features, the finished product is going to be immaculate and will see you a great ROI. These villas deliver the true Ubud experience and are offered by highly regarded Developers with a proven track record in Bali with a list of successful projects behind them.

- These 3 bedrooms villas will be transformed into a complex that will form a quiet, private and secure living space for you or your guests. You have the choice of size and price of your villa depending on your needs, get in early and claim your stake and position. All bedrooms are fully air-conditioned spacious with their own ensuites and out/indoor rain showers. Master Bedrooms overlook rice paddies and include built-in wardrobes and have huge ensuites, with double basins and include large stone bathtubs. The living areas all blend together ascetically, and use custom designed furniture and art works and all overlooking the pool and rice fields. This open air living area consists of comfy sofas and lounge area, sleek dining room table and chairs and then the fully fitted kitchen. Each villa comes with a rectangular infinity swimming pool overlooking the tropical palm trees and rice fields and encased in timber decking. With reasonable land sizes, and a long 25 year lease located in the centre of Ubud – this is an opportunity you can't miss.
