

Charming villa with walking distance to Cemagi beach

Description

This modern villa is strategically located in a developed area of Cemagi, Bali with walking distance to Cemagi beach (2 minutes). Cemagi beach is a beautiful black sand beach and so popular with its big waves, attractive rock, and an instagramable bridge over the beach. Offering a very beautiful roar of the waves which is very popular by foreign and domestic tourists. Currently this villa is used for daily to monthly rental activities where bookings have been received until 2024 and all payments will be handed over to the new owner.
