

15076 – Cozy villa with semi furnished in Umalas, Kerobokan

Description

With the interior that engulf itself in an off white coloring with the addition of golden warm lighting from its chandelier, creating the accent of luxury inside a dash of simplicity. Abundance of facilities, for you and your relatives or maybe your private staff, it compliments the sheer size of its inhabitants with semi furnished interior.

The furniture that paints itself sometimes with an accent color of deep brown as if it's contrasting the earlier theme that splashed from the walls and lighting.

With huge electricity capabilities, many rooms, and facilities, if there comes a day where you just don't want to leave the property, it surely will provide you with anything you've ever needed.

Features:

- ? Semi furnished state made you hassle less from thinking about the suitable furniture.
