

Fantastic family home with ocean view in Ungasan, Bali

Description

A fine mix of traditional design language and the modern aspect of architectural atmosphere, once you set foot in the vicinity of the property it hails you with the coarse styling on the walls and sometimes accompanied with the natural stone that is attached to some parts of the building.

The imitation grass that brings contrast coloring on the property and its footstep that made from natural stone, it compliments well the furniture that frequently stick out from the indoor area, the gazebo and sofas that lined up perfectly creating a space that make you want to hang out on them, and the swimming pool that riddled with natural wood on its side, it also equipped with sunbathing area not far from it.
