

34354 – For Freehold Four-Bedroom Villa with Deluxe Design in Sanur, Bali

Description

This private and luxurious villa is strategically located approximately 10 minutes drive from the beach of Sanur, Bali. This exclusive villa is like no other and is the ultimate way to experience pure paradise. Nestled in Sanur on Bali's south-eastern coast, this four-bedroom villa is a hidden gem, comes with traditional Balinese contemporary style and surrounded with lush tropical garden offers a fabulous tranquil oasis in the island of the Gods. A fully furnished villa with an open living area on both the first and second floors, offering a splendid jungle view. Every bedroom offers ample space and generously sized ensuite bathrooms, ensuring a luxurious and comfortable living experience. Each of the exquisite two master bedrooms in this property features its private plunge pool. Complete with its own staff quarters, equipped with a kitchen and bathroom, allowing the occupants to have their own in-house maid in the villa. Furthermore, the villa boasts two office areas that can easily be transformed into an additional spare bedroom or a media room. With the option of both private use or commercial business purposes, this villa is ideal for family or group of friends seeking tropical open-air living, a laid-back tropical vibe, and in close proximity to beach or the city center. This amazing property is only moments from Sanur's myriad cafés, restaurants, boutiques, galleries and watersports centres.
