

12804 – For Sale Contemporary and tropical Villa with ocean view at Melasti Beach-Ungasan

Description

An elegant contemporary villa with ocean view for sale in Melasti Beach Ungasan, South Kuta – Bali.

This villa is surrounded by spacious tropical garden. And outdoor swimming pool right at the entrance of the villa that facing directly to the expanse of the blue ocean, flanked by a gazebo and outdoor BBQ kitchen.

The location of this villa is perfect to get a tranquil atmosphere as it away from the crowd. However we still able to get a pleasant vacation as the villa is very closed to many spectacular beaches around such as Melasti Beach that we can reach by foot. And only a few minutes drive to Balangan Beach that is famous with the white sandy beach and panoramic view to the Indian Ocean and also has spectacular sunset and enormous waves that is demanded by all surfer. And there many other beautiful beaches around. The design of this villa is elegant contemporary with 2 storey building and a cozy place to stay. From the second floor we treated by beautiful view of the blue ocean and tropical garden around. This villa is suitable for family getaway for private use or business.
