

17577 – Freshly renovated villa with below market value, Kerobokan

Description

Recent renovated villa "Below Market Value" for sale in Tegalcupek, Kerobokan, North Kuta, Badung Regency – Bali.

The villa is two storey building with green scenery from the gardens creates a tranquil ambience. It has an outdoor swimming pool surrounded by tropical plants makes it a perfect place for swimming and sunbathing while enjoying the breeze at the same time. It has open living room direct access to the swimming pool. The second floor has balcony with swimming pool and greenery scenery from outside.

The location is very strategic in a villa environment with rice field view and very closed to everywhere. It's in middle of happening Seminyak and trendy Canggu hub as known that those area are popular tourist destinations most interested by tourists nowadays. Because they have beautiful beaches with great waves for surfing and spectacular sunset in particular and also great hotel/villa, restaurants, bars, clubs, shops, spas, etc. It's only 5 minutes drive away to Seminyak and 10 minutes to Canggu. This villa is suitable for private use or commercial business investment. And it's a very good deal with freshly renovation and the strategic location makes this villa more valueable than offering right now, that is a very rare opportunity to get a property in this area nowadays.
