

Hilltop Strawberry restaurant for sale in Badugul, Bali

Description

Bali strawberry farm and restaurant hide an offbeat and fun filled experience for its customers. From allowing the diners to pick their own strawberries from the farm in extremely pleasant weather to preparing the dishes from organic veggies and fruits, the menu they serve is of fresh and high-quality ingredients. Along with the food, this restaurant is also known for purely natural drinks made from raw materials and with the age-old recipes. When visiting this restaurant, don't forget to devour their signature dishes including strawberry pancakes and fried banana strawberries
