

16834 – Luxurious five bedroom with Modern Balinese Concept in Canggu

Description

Stunning villa! Contemporary design and beautifully furnished. Views out to the pool and ricefield from the upstairs level are a bonus. Its great location with very close to Seminyak, Echo beach, and Canggu Club
Well surrounded by beautiful rice fields in a popular tourist district, Canggu – Bali with Expansive land of 900m2, a spacious interior of 450m2 and a stunning lap pool. This villa can cater up to 10 people

Modern Balinese design, intricate details crafted by local artisans from every angle and starts with a stylish oversized gate entrance. The villa's ground floor houses the living, dining and kitchen areas which overlook the swimming pool and gardens and can be left open to the tropical air or closed off for air-conditioned comfort.

The well-equipped kitchen comes with ten seats dining table next to the comfortable lounge area sofas and armchairs facing the TV entertainment unit. The kitchen is fully equipped, has a huge refrigerator and featured by separate utility area to differentiate making and serving food process. It also has its special entry for our staff to serve you without neglecting the importance of maintaining privacy.

THE NEIGHBOURHOOD – CANGGU
