

15040 – Luxury villa for freehold sale in Kutat Lestari, Sanur

Description

Located on Kutat Lestari Sanur, South Denpasar.

The natural color from natural stone that riddles the floor of this property's interior, it brings the warmth and symbolizes a power, an endurance to be exact. The off white coloring of the walls that dominate the inner section of the building, matched well with the lighting that breathes warmth through its color temperature, it made the atmosphere also warm with pleasant ambience.

With a full set kitchen and fully furnished interior that sometimes had a nice natural wooden color and pattern, it symphonizes with the existing walls and lighting color temperature, luxurious bedroom has also shared its radiance and provides its inhabitant with rejuvenating sleep.

All those accompanied with the minimalistic yet elegant looking swimming pool that has a dash of greenery along its border.
