

36297 – Prime plots each of 200 sqm with total land area is 3,300sqm for sale within minutes walk to the beach for sale in Beraban, Tabanan

Description

Discover prime seaside plots just 200m from the sparkling black sand Beraban beach. Welcome to a place where you can escape, unwind, and relax in the authentic village of Beraban – Tabanan. Situated amid rice fields offering panoramic views of the shimmering black sand, stunning sunsets, majestic mountains, and lush rice terraces. This peaceful area amidst Bali's natural beauty invites you to leave urban life behind and immerse yourself in a village with natural charm. These plots include several parcels totaling 3,300 sqm, each approximately 200 sqm. With a flat contour, nearly square shape, and about 15 meters of frontage, the property also offers a 5-meter-wide access road. Ideal for investment or building a private villa complex, whether for personal use or commercial purposes. Located within a villa environment with all necessary amenities and infrastructure for development, it is ready and safe to build on anytime. All legal documents are available. This escape from urban life offers a glimpse into Balinese village life, with rural vibes and expansive rice terraces and plantations, ensuring the preservation of natural beauty and simplicity.
