

16532 – Single story house in a tranquil area of Denpasar Selatan

Description

It is located in a tranquil area South Denpasar, Sidakarya with dead end alley that makes the area away from crowds and it's in quick sale. The location is very closed to the public areas such as traditional markets, government offices, hospitals, supermarkets, schools, university, worship places, parks, etc. It's only a few minutes away to one of the famous traditional market names "Panjer " in Denpasar that is a market full filled by clothing shops, bags, shoes & accessories shops and eatery which offering cheap price but chill environment. It became a popular place for youth visitors to shop and hangouts, especially on weekends.

The house also has a tranquil ambience and it facing to the east side where we can get the morning sun shines the house and get the vitamin D everyday from the balcony.
