

17754 – Tropical furnished villa for sale located in Pererenan

Description

Its location strategically next to Canggu and it is in a quite village. Pererenan is still spread of large tourist crowds and offers tranquility amidst the rice fields.

This villa is two storey building with 3 bedrooms, 1 double bedroom at the first floor with direct access to outdoor swimming pool by glass sliding door. At the second floor there are 2 bedrooms, 1 double and 1 twins with balcony facing directly to the rice fields view and peaceful neighborhood.

This villa also has living room direct access to dining room and equipped kitchen.

It has a semi traditional modern concept design, a truly tranquil ambience it is. Suitable for family private use or commercial business.

The good thing is, it's very closed to the popular Echo Beach and Batu Bolong in Canggu, yet without tons of tourists.

This villa is perfect for those who looking for an authentic Bali without massive crowds, yet close to a lot of tourist attractions and restaurants, Pererenan is the place to be.

Although Pererenan is now still a quite Balinese village, it will surely become the next Hotspot of Bali, just like Canggu and Seminyak. It might be a very pledge investment somehow.
