

35848 – Unique villa with barn style offers captivating natural surroundings for sale in Sidemen, Karangasem, Bali

Description

Waking up, in a cozy queen size bed, to the first morning sun – opening the doors to the balcony of the bedroom in the second floor, overlooking pristine nature, the sound of the water flowing below, watching the farmers already on their way to work the fields – it feels like watching a beautiful Balinese painting that has come to life. This unique villa is located on the outskirts of a small Balinese Village of Sidemen. It is an ideal place for those who are looking to immerse themselves and experience an authentic, almost forgotten side of Bali, Surrounded by nature in a traditional yet contemporary villa right in front of Sidemen's beautiful rice fields, is like living in a Balinese painting. Here you can have a magical experience to be up close with balinese nature and local village live in a truly rural setting without missing out on comfort.

The accommodation's highlight is an open plan living room and dining area on the lower floor with spectacular views over the green fields and farmland of Sidemen valley, along with the misty green hillsides will spoil your eyes in the dusk time.

A carved antique wooden door gives access to the attached semi open bathroom with modern facilities, a rain shower and selected organic bathroom essentials.

A unique, barn-like, staircase leads to the bedroom on the upper floor featuring a queen size bed under the wonderfully arched, with natural rice grass thatched roof. The traditional architecture allows the space to breath naturally and takes advantage of the almost constant cool breeze in Sidemen. Combined with polished cement floors and an overall open design we don't need artificial air conditioning, allowing us to even further to reduce our carbon footprint.

Picturesque views from the bed and the balcony over Sidemen Valley and the mountain ridge to the east will spoil your senses in the mornings when you wake up with the rising sun.

This villa will be a promising business while you still can develop your investment and enjoy the pristine nature of the real Bali itself.
